

O'BRYAN FAMILY BIBLE

We gratefully acknowledge the contribution of this family bible by Debbie Yates. It will help if you read it from her viewpoint. That is "Dad" is Debbie's father, etc.

The original owners were John L and Elizabeth (Bousfield) O'Bryan. Most of the entries are in John's handwriting. (Dad has other documents with John's signature.) John listed vital records for he and Elizabeth's children and for both of their parents and siblings. When John passed, the bible went to his son Bousfield. The next recipient was my grandfather Chester, and then my dad.

Transcribed on 3-15-2012 by Debbie Yates, great great granddaughter of John L and Elizabeth (Bousfield) O'Bryan. My notes in []'s.
