But this had been bull dozed over in 1950-60. A few remaining stones were found in a "gully" and names and dates recorded by Mr. Jerry Davis, one of the great-great grandsons of Phillip E. Davis, the original owner of the land. Additional name and data were supplied by Mrs. Ruby née Davis Mitzel of Boonville, MO, 1975

Mr. Phillip E. Davis established this family cemetery, "who entered this land from the government and was one of the early settlers of Kelly Township; about 1818. He lived on this farm where William E. Davis now lives."
