This cemetery material has been recorded for many years. Mr. Don Carlos knows the road, barely visible, that went through a wire gap into a field where he thought there had been a church and burial plot. This cemetery is marked on an early 2000 county road map.

The church building that was at this site burned many years ago.

This cemetery was canvassed by the Church of Jesus Christ of Latter Day Saints in the early 1960s. It

was canvassed again in 2007 by Barbara Ford.
