Directions:

From Prairie Home, take Route J west to Route W; follow route w about 4 1/2 miles south; the blacktop ends, but continue on to the gravel road which swerves a little to the west and then goes south again; down a long hill and up another hill and there on the left side is a "gateway" into a pasture. A road goes around or through a small woods to the cemetery which has a large gate and good fence around it. We found it well kept when we recorded it some years ago.

Recorded by Roy and Helen Mitzel and found to contain 97 graves. The earliest recorded burial was 1837
