- 1915 land atlas – no cemetery symbol on John R. Waller land
- 1978 plat book – no cemetery symbol on Earl and Anna Carey land
- 1991 plat book – no cemetery symbol on Wilford Monk land

History:

This cemetery is in poor condition; not fenced and stock allowed to roam over it; most of the stones are knocked over or destroyed. There are four monuments remaining with dates and names; and some foot markers with initials. There is also a notation on the plot of the cemetery of a "Collier Section" but there is no record of these graves.

The following list is taken from a plot made of the graves, many years ago by Miss Lottie Waller.

Updated:

February 1, 2009 with 22 entries for this cemetery.
