History:

Jones Chapel

In December of 1854 Preston and Lenora M. Eades should the land for a church and cemetery to the trustees (Caleb Jones, James Franklin, N. Hutchison, and George Dorsey) of the Jones Chapel Methodist Episcopal Church South for the total of \$1. The deed which was recorded on 09 Jan 1855 notes that there is already a church standing on the land. So the Jones Chapel church was formed sometime prior to 1855.

The church was burned to the ground in 1923 and never rebuilt.
