Correspondence received by transcriber: 5/25/00 Passengers #218-221 Frede

Juli Freda wrote the following:

Mary - Thanks so much for the transcription of the Ship Hermann from Bremen, Germany to New Orleans 8 May 1854. I found my husband's great-great grandfather's family in the registry. We knew they had left Bremen in 1854 but were at a loss as to the ship or the destination. Our relatives are your items 218-221, Friedrich Wilhelm Frede and family.

Friedrich Wilhelm Frede came to America in 1854 with his family and was assumed to have settled with relatives on the Frede farm in Wood County, Wisconsin. There were many passengers who followed the route from New Orleans to Wisconsin and settled farms in that area. The Frede family flourished and became well known in the area, making the front page of the paper upon their deaths as the oldest residents of the county. Friedrich was born in the Pr. Westfalen in

Germany and left behind his deceased parents and sister when he came to America. For more information, please contact [Juli Freda](#).
