

Muster Roll of Company H of the Second Cooper County Militia

This muster roll is in the possession of Rox Brandes who kindly allowed it be copied. The muster roll did not contain the date it was taken. And that in and of itself presents a dilemma. It was finally solved when Nancy nee' Stone Grace found the following in W. F. Johnson's "*History of Cooper County Missouri*". "Mr. Barron was commissioned captain of the Missouri State Militia by Governor Thomas Fletcher just after the close of the Civil War, and the duties of this organization was to protect peaceful citizens against bands of outlaws which infested the state at that time. Mr. Barron is one of the real pioneers of Cooper County." This is the company roll for which Walter Barron was captain and as such must date after August 1865 and is most likely 1866.
