

MUSTER ROLL OF COMPANY A OF THE BOONVILLE BATTALION

Author's Note: The photocopy of these records was in excellent shape. In several places, the use of scotch tape prevented the determination of some information. The handwriting was legible and clear. Plus, the spellings of most of these names are known to the author, which makes transcribing easier.

Homer Ficken, historian and genealogist, has worked on the muster rolls for Cole, Morgan, and Pettis Counties in Missouri. He was able to make a number of corrections and additions to this list. Those corrections are noted in red.
