DIED.—In Glasgow, on Wednesday morning last, Mr. JOHN NANSON. He was a native of England; but came to this State in his youth; and at Franklin, Fayette, and for the last year or two in Glasgow, has maintained the reputation of an honest and estimable business man. His disease was Cancer of the tongue—a painful affection which he bore with Christian resignation. His remains were brought to this place on Thursday and interred.

In Brunswick, Mo., on the 6th inst., J. T. C., infant son of Dr. L. H. and Juliet M. Reynolds.

Nanson
