Resolutions of Respect.

Again the sad messenger of death has rapped at our inner door and summoned from our midst a loving and faithful brother, calling to his account one who was a highly respected and beloved member of this Lodge.

In the removal of brother Thomas E. Potter from labor on this earth to refreshment in that above, the Grand Master has enlisted in the Grand Lodge of Masons, above one who will be missed by his brothers here, who only knew him as a Mason of lofty character, sterling integrity and moral worth; as a bright example in the lodge, as well as in his family, social and business circles and here record with sadness and reverence this testimony to his Masonic and Christian character. In further memory and reverence of the name of Thomas E. Potter, Cooper Lodge, No. 36, A. F. & A. M., tenders to the bereaved widow and children of our deceased brother, its heartfelt sympathy in their sad loss and bid them ever look to our roll of members for friends, counselors and abettors.

In honor of the memory of our brother the usual badge of mourning shall be worn for 30 days and these resolutions be spread upon our minutes, and as a further token of respect.

Resolved, That these resolutions be also published in the city papers and a copy hereof be furnished the family.
