OBITUARY

Clark Spillers

Clark Spillers, aged 53 years, of 1102, East Seventh Street, died at 6:30 o'clock this morning at the Missouri Pacific hospital, where he has been ill for the past three weeks, following an operation last Saturday.

He was born in Sedalia July 4, 1894, and had made his home here all his life. Nine years ago he was married to Miss Ethel Mae Anderson, who survives.

Mr. Spillers about a month ago was promoted to assistant foreman of the pipe shop in the local Missouri Pacific shops.

He was a member of Granite Lodge 272 A. F. and A. M. and the Orient Temple of the Mystic Shrine. He was also a member of the East Sedalia Baptist church.

Mr. Spillers was a young man with a wide acquaintance and enjoyed the friendship and esteem of all who knew him.

Surviving are his widow and one son, "Billy," of the home address, his parents, Mr. and Mrs. C. R. Spillers of 715 East Fifth Street, two brothers, Harry and Roy Spillers of this city.

Funeral arrangements are as yet have not been made pending the arrival of the body. The body will arrive some time this evening and will be taken to the Spillers home.

Funeral of John Clingenpeel

The funeral of John Clingenpeel, 78 years old who died at the home of his daughter, Mrs. Lutha Byard, in Kansas City, was held at 2:30 o'clock this afternoon at the Gillespie Funeral Home, Rev. W. B. McGraw, pastor of the East Sedalia Baptist church, officiating.

Interment was in Crown Hill cemetery.

Mrs. Charlotte McDowell

Mrs. Charlotte McDowell, aged 75 years, died this morning at the County Home. Death was due to paralysis.

Mrs. McDowell is survived by seven children, three of whom are Mrs. C. W. Keller, La Monte, Mrs. Gregory of Beaman, and C. E. Walker, of Beaman.

Passed By Council Members

The district which will by the new installation immediately as follows: starting in Prospect, south on E Third, east to Grand, Grand, Seventh to Highway, then following of way to the M-K-T on southwest edge of the town back north to Main.

Almost all of the later work will provide adequate when mains, sub mains and relief piping are installed. The only part of the system to be abandoned of the west outlet will be the main. The system is in good condition and capable of expansion.

Medical men and health generally have condemn uncertain terms, the motions in the vicinity of F and Main Avenue, where a sewer empties into the ditch. From Fifth and N flow is lead into Brushy Creek out treatment of any sort.

During the protest made following objections were made concerning the new sewer installation was not of a sufficient size for expansion, that the sewer on North Grand Avenue was not allowed and that the project was too high for the city to stand, cost to much.
