Party Tickets Will Be 'Filled' By Committees

Democrats Lack Four Candidates for Full Ballot; Republicans Need Two

COMMITTEE MUST
ACT BY OCTOBER 4

Rumor Has It That Neither Ticket Will Be Completely Filled This Fall

Although both parties in Cooper county held their primary elections Tuesday, neither county ticket is complete. On the Republican ticket there was no candidate for judge of the County Court, Eastern District, nor for probate judge. On the Democratic ticket there are four vacancies, representative in the general assembly, presiding judge of the county court, prosecuting attorney and circuit clerk.

The election laws of Missouri provide for the "filling" of the county tickets by the county central committees of each party at least thirty days before the general election. Each party committee is composed of a committeeman and committeewoman from each township in the county.

The county committees will be called together by their respective chairmen in the near future for the purpose of organizing and for the naming of the party nominees for the existing vacancies.

The Democratic county ticket named Tuesday:

- Judge of the County Court, Western District—Frank Horst.
- Judge of the County Court, Eastern District—S. H. Groves.
- Clerk of the County Court—Rolla D. Pealer.
- Collector of the Revenue—Earl C. Holliday.

Judge of the Probate Court—O. W. Cochran.

The Republican ticket named Tuesday:

- Representative—Richard Rothgeb.
- Presiding Judge, County Court—John A. Brandes.
- Judge of the County Court, Western District—H. D. Case.
- Prosecuting Attorney—W. D. Semple.
- Clerk of the County Court—Charles H. Hüber.
- Circuit Clerk—P. D. Sweeney.
- Collector of the Revenue—Hillard Selck.

In both parties talk is heard that neither ticket will be completely filled by the committees, there seemingly being a disposition to leave certain posts unfilled. However, it is generally the case that the committees exercise the prerogatives given them by the Missouri election laws and "drop"
