Prigmore to Show 1940 Chevrolet

First showing of the new 1940 Chevrolet will be made Saturday, Oct. 14, in the showrooms of the Prigmore Chevrolet Co., 520 Chestnut street, in conjunction with the initial nationwide display of this car.

"Car buyers everywhere are going to get a real surprise when they see this new Chevrolet," R. H. Prigmore said in commenting on the new car. "The car is four and one-quarter inches longer than last year's model, bigger inside as well as out, has been restyled, and we think it's the most beautiful low-priced car ever designed."

"Perfected hydraulic brakes, super-silent valve-in-head motor, larger tiptoe-matic clutch, new exclusive vacuum power shift and sealed beam headlights have helped to make this a car of outstanding performance, economy of operation and safety," concluded Mr. Prigmore.

The Prigmore Chevrolet Company's showrooms, specially decorated for announcement day showing, will be open Saturday from 8 a. m. until 9 p. m.
