SUFFERS BROKEN LEG

**Richard Parsons, Son of Mr. and
Mrs. E. L. Parsons Is at
Fitzgibbon Hospital**

Richard Parsons, son of Mr. and Mrs. E. L. Parsons, suffered a broken right leg Tuesday about 5 p. m. He is at Fitzgibbon Hospital and the injured leg is in a cast. Richard stepped from a combine, which was driven by his brother, David. The wheel ran over his leg. The break is between the knee and the thigh. He suffered greatly from shock and remained unconscious until 5 o'clock. Wednesday morning, causing members of his family and friends great anxiety, however, he rested better yesterday and had a fairly good night last night.
